## BACK TO SCHOOL!

A huge welcome back to school to all of our wonderful EOOSH families! WE hope that you had a wonderful Easter break, whether it was at home or overseas! We can't wait to take on Term 2 with you all!

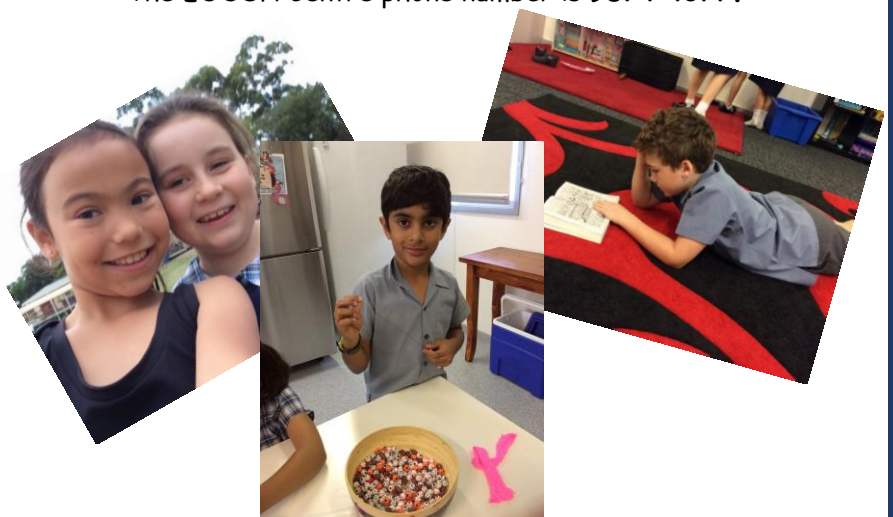

## ASTHMA AND ALLERGIES!

If your child suffers from asthma or any allergies, we urge you to please ensure that your child's action plans and medication are up to date. Please also ensure that the centre has a copy of any action plans if we do not already have one! This is vital to your child/ren's health and safety, as in the case of something happening, we need all the information in order to help them and keep them safe.

## LATE PICK UP!

A reminder that if you are late to pick up your child from the centre, a late fee applies. This late fee is as follows; \$50 for the first five minutes and \$2 for every minute after 6:05pm. The centre closes at 6pm every evening, even during Vacation Care, Monday-Friday.

If you are running late to pick up your child or if you child will not be attending the centre in either the morning or afternoon, you **MUST** contact the CENTRE using the centre phone number to let us know. If you do not, we will assume that your child is missing and thus go to all lengths to find them. The EOOSH Centre phone number is **9874 4077**.

## This week at OOSH...

A huge welcome back to our Ermington OOSH families! We're extremely excited to take on Term 2 with you guys, we're sure it will be a fun filled term full of new experiences for the centre!

In our first week back, we settled back in to routine! We engaged in some fun craft activities, including some that our Mother's might be seeing in days to come...

Baking Fridays was also back in full swing with the kids cooking up a storm... as well as some delicious choc-chip cookies!!

We look forward to catching up with you all, and hope your holidays were a fun and relaxing time for all!

## MEET THE STAFF!

### Meet Chase!

Hi I'm Chase! I'm currently studying a Bachelor of Science, Criminology and Psychological studies at Western Sydney Uni. My hobbies are lawn bowls, playing the recorder and extreme Lego building. My favourite colour is blue.

## REMINDERS

- If your child suffers from asthma or anaphylaxis under our policy we are required to have an updated **ASTHMA** action plan every 6 months and an **ANAPHYLAXIS** action plan updated every 12 months. We ask that if you have not given our centre an updated action plan to do so promptly
- There is now a 'Parent Communication Book' (it's **Black**), found on the sign in/out desk. In here, feel free to write any upcoming sessions your child may be absent from or any messages you need to communicate to staff, open to any ideas also!
- If your child is attending any **extracurricular** activities this term, please complete an 'Extracurricular form' located underneath the welcome notice board. Feel free to ask an educator if you need any assistance.

## FAREWELLS

It is with great sadness that the centre said it's final goodbye to OOSH Educator Ben this week! We thank him for all of his hard work and dedication to the centre, and wish him well on all of his future endeavours!
