Summary of what's going on this week at OOSH.

What's on the menu?

The following weeks menu will be displayed both in this newsletter and on the parent notice board found in the centre.

Reminders

Any OOSH reminders that need to be communicated to parents.

If you would like to see more photos, feel free to pop into the centre!

Week 3 at EOOSH

This week at Ermington OOSH, we continued to create some amazing crafts and continued with our baking club!

We also brought in some exciting new toys for the children this week...

A reminder to families also that the School Fete will be happening on Saturday the 1st of June! This is a fantastic way to get involved in the school community while spending a nice day out with the whole family!

Please take note of the important notices on the final page of the newsletter this week!

ASTHMA AND ALLERGIES!

If your child suffers from asthma or any allergies, we urge you to please ensure that your child's action plans and medication are up to date. Please also ensure that the centre has a copy of any action plans if we do not already have one! This is vital to your child/ren's health and safety, as in the case of something happening, we need all the information in order to help them and keep them safe.

LATE PICK UP!

A reminder that if you are late to pick up your child from the centre, a late fee applies. This late fee is as follows; \$50 for the first five minutes and \$2 for every minute after 6:05pm. The centre closes at 6pm every evening, even during Vacation Care, Monday-Friday.

This week at OOSH...

Baking club was back in full swing this week... without an oven! Instead, this week the children decorated some biscuits with colourful icing and lollies GALORE! We apologise for any subsequent sugar rushes...

We also brought in some new toys... BIONICLES! These robotic creatures absolutely thrilled the children, stirring imaginations while giving them something new and exciting to play with!

We also had a brand new play kitchen built for the centre, thanks to the wonderful Maia! This was a very exciting addition to the room for everyone!

REMINDERS

- If your child suffers from asthma or anaphylaxis under our policy we are required to have an updated **ASTHMA** action plan every 6 months and an **ANAPHYLAXIS** action plan updated every 12 months. We ask that if you have not given our centre an updated action plan to do so promptly
- There is now a 'Parent Communication Book' (it's **Black**), found on the sign in/out desk. In here, feel free to write any upcoming sessions your child may be absent from or any messages you need to communicate to staff, open to any ideas also!
- If your child is attending any **extracurricular** activities this term, please complete an 'Extracurricular form' located underneath the welcome notice board. Feel free to ask an educator if you need any assistance.

IMPORTANT NOTICES:

It is extremely important to note that each family has a **TOTAL** of 42 absences within their **CCS** for each financial year. If you go over this amount, your **CCS** is stopped, and you will have to pay full fees for all attendance at OOSH.

Note that the financial year ends and re-sets on July 1st 2019.

YUGIO/POKEMON CARDS

We would like to make it aware to all families, that Yugio, Pokémon and any other trading card system is banned at Ermington OOSH. This is a result of multiple fights between children due to the trading and stealing of cards. If your child chooses to bring these cards into the OOSH centre, please note that these are not the responsibility of the OOSH educators, and the children will be asked to put them into their bags. We will not be held accountable for these cards going missing. We suggest your children leave them at home to avoid any issues.
